

Our newest clinic – Potranco Road @ FM 211 – is now open!

We are proud to announce that our newest Vanguard Veterinary Clinic has opened in San Antonio – Potranco Road @ FM 211. We are a full service veterinary hospital, providing quality care for small animals. Vaccinations, lab tests, heartworm & flea medications & spay/neuters are only part of the services we provide. We will also honor the vaccination prices that we offer at our mobile clinics. We hope to see you soon!
